Discovering Your Story

Lord Jesus, we thank you for this journey that You have led us through. We pray that You continue to open our hearts and our minds and give us the courage to be vulnerable. We pray that you continue to instill in us a curiosity to explore these questions and consider them in the context of what is going on in our lives. You already know (even before we do) what we are thinking! God, You see us perfectly and righteously because of Jesus. You have forgiven us for our sins, and You meet us exactly where we are. We have nothing to prove. You value us just as we are. You love us.

So, we have nothing to fear, nothing to lose. Let us review the questions today with confidence. Help us God to be brave, honest, and curious. Please Lord, help us consider and respond to these questions, reveal to us what we should be thinking about, what You want us to hear and see. Thank You Lord for the opportunity to consider Your hand in our lives and Your unconditional love. In Jesus' Holy Name we pray. Amen
